

Thank you for choosing to attend a children's program at Caraway Conference Center & Camps. Below are the payment policies for all of our programming at Camp Caraway and Camp Mundo Vista.

**Registration:** You may register online at [www.caraway.org](http://www.caraway.org) with a credit card. Registration is first come-first serve. We will post online when any camps are full.

**Contact:** Connect with Danielle Page with any registration or payment needs: [dpage@caraway.org](mailto:dpage@caraway.org) or 336-793-2232.

**Deposit:** An \$85 per person non-refundable deposit is due immediately upon registration. Your registration is not complete and your spaces are not secure until the deposit is paid.

**Balance:** Final numbers and the full balance is due 4 weeks before the starting day of your camp unless otherwise noted.

**Refunds:** Deposits are non-refundable. Balances are not refundable after the balance due date except in the event of illness, injury, or death in the immediate family the week before or during the camp.

### **Payment Policies Specifically for Group Registrations** (Children's Camp, Winter Camp, and Missions on the Mountain)

**Reducing numbers for group registrations:** Reducing the number of attendees before the balance due deadline will result in the loss of the \$85 per person deposit and is not transferable to your balance. Reducing the number of attendees after the balance due deadline will result in a loss of the entire balance of the attendee.

The group leader can replace a dropped attendee with a new attendee of the same gender only. If this occurs after the balance due date, skill and recreation choices may not be guaranteed for that person (email Danielle of any changes).

**Raising numbers for group registrations:** First, check with us to be sure we have availability before promising a spot to someone. To increase numbers before the balance due date, the deposits for the increase are due immediately upon registration. If you increase in number after the balance due date, the full balance for those additions will be due immediately upon registration.
