

Summer Staff

INFORMATION

Thank you for your interest in serving as summer staff at Caraway Conference Center & Camps. This year will be the 63rd summer of camps at Caraway. We have a rich tradition of having a dedicated and gifted summer staff, and their impact on the lives of our campers is one of the most important aspects of our programs.

Who Are We?

Caraway Conference Center and Camps is owned and operated by NC Baptist. We are located in the beautiful Uwharrie Mountains of central NC about 7 miles west of Asheboro. Our mission is to be a Mighty Mountain of Faith for the next generation.

We offer a year-round Conference Center for adults, a year-round camp and rental retreat center at our camp properties. In addition to hosting rental groups, we organize and run a variety of programs, including Children's Camp, Boys and Girls Camp, and Family Retreats.

Core Values

1. Growing Faith in Christ: We want people to know how much Jesus loves them! Campers will hear the truth from God's word daily through Biblical and experiential teachings during our programs.
2. Developing Healthy Relationships: Our program experience is greatly based on relationships. Our camp staff help campers feel at home and help plug them into our community with other campers and staff.
3. Learning Life Skills: From recreation to worship, we teach and equip campers with Biblical truth for daily living.
4. Serving others: All Christ-followers are missionaries! Our daily interactive missions time featuring a missionary will help campers learn how we can be missionaries where we live, work, and play.

Summer Staff Nicknames

We have a fun tradition of each summer staff having a nickname. This nickname is based on a memorable experience or a fun characteristic of the staff. Staff will help choose their name from recommendations of returning staff. This name is for fun and also allows the staff to not to use their real name in front of campers.
