

GRAND CAMP 2026

Thank you for choosing Caraway for your camp experience to deepen your relationship with your grandkids, build up your community, and most importantly, strengthen your relationship with Christ!

Fun experiences help us grow in our faith in Jesus Christ, develop healthy relationships, build life skills and serve others through missions.

PROGRAMING

Adults are responsible for their campers. Our staff is available to assist if requested.

RECREATION

Campers will have the opportunity to participate in daily swimming and a variety of recreation, craft and activity choices. Campers are encouraged to do every activity to the best of their ability, however participation is up to the camper.

REQUIRED FORMS

Please ensure that you have completed all forms in your online registration portal for both grand parents and grandchildren before arrival.

SPECIAL DIETARY NEEDS

At Caraway, we take food allergies very seriously. Our chef and kitchen staff accommodate and provide alternative meal options as much as possible. We can typically work around most allergies including gluten, dairy, soy, nuts, egg, and corn. It is important to note that our facility is NOT a nut free, dairy free, soy-free, egg-free environment. While our dining team is willing to support those with dietary needs, we cannot guarantee that there is no cross contamination.

Please make sure to communicate all allergies on your health form and call us with additional questions.

For further questions or concerns, please call our office during office hours from 9am - 5pm or by email to our Director of Food Service, Chris, at cpowell@caraway.org

MEDICATIONS

During the retreat, adults you are responsible for you and your camper(s) medications.

RECREATION SAFETY

During all of our recreation times, our highly trained staff will ensure the safety of you and your camper(s).
